

Job brief

We are looking for a **Special Education Teacher** to join our team of educators. You will be responsible for teaching groups of students with Down Syndrome. You will manage existing curriculum on basic subjects writing, counting and reading to meet each student learning requirements and build individual lesson plan tailored to their specific needs. Ultimately, you will help and inspire children to achieve important learning milestones.

Responsibilities

- Assess students' abilities and craft teaching plans
- Adapt learning materials to students' needs
- Keep track of and reflect on students' progress
- Monitor children's behavioral patterns and arrange appropriate interventions if needed
- Find engaging activities to teach skills
- Manage classroom and students
- Engage parents on their children's performance and potential problems
- Collaborate with the support staff (e.g. school counselors and speech therapists) to create holistic intervention plans
- Execute teaching plans on daily basis with focus and creativity

Requirements

- **BSc in Special Education with minimum of 2 years of experience**
- Good knowledge of current special education topics and methodologies
- Experience working with children with a wide range of disabilities
- Ability to create Individualized Education Plan for students
- A patient, resourceful, and resilient personality
- Excellent interpersonal and communication skills
- Very strong verbal and written communication skills
- Clear, consistent and respectful communicator
- Creative and able to create a fun learning environment and enjoy taking on challenges in special child / OKU areas
- Efficient time management
- Ability to take on many tasks at once and prioritize them by importance and relevance
